BILL MURRAY

It's prime time for laughs when Bill Murray plays a crass TV network executive with a remote control where his heart should be in this big, blockbuster comedy hit. Echoing the Dickens tale, the story makes Murray the bad guy when, on Christmas Eve, he fires an aide, exploits his secretary and trashes a holiday show. With Karen Allen and an all-star cast.

SEE NO EVIL, HEAR NO EVIL

What monkey business are Richard Pryor and Gene Wilder up to now? The stars of *Stir Crazy* team up again in a zany case of the blind leading the deaf when they're tailed by cops and killers in the wake of a murder.

Co-workers at a Manhattan newsstand, the blind Pryor and the deaf Wilder "witness" a murder—and the frantic antics take off from there. Directed by Arthur Hiller. (AL, MV, BN) R-1-42. **May 1, 6, 11, 19, 23, 31**
